## **CESIE**

CESIE is a non-profit, apolitical, and secular Civil Society Organisation (CSO) with member organizations in more than eight European countries. It was established in 2001, inspired by the work and theories of the pacifist Danilo Dolci (1924-1997).

Our status as a European SCO is recognized by the European Commission.

CESIE links local, national and international contexts and is committed to stimulating development and change in cultural, educational and economic spheres through the creation and use of innovative tools and methods
