### PROJECT DESCRIPTION:

#### Objectives

To offer the best students from all over the world an integrated Master study programme on educational treatment of diversity, delivered by consortia of four organisations from Programme countries.

To use Erasmus+ possibilities to fund scholarships for students, as well as grants for academics or guest lecturers to teach or research in this Master degree programme.

#### Activities

After a first preparation year, consortia then make three annual selections of students. Program will have 120 ECTS.

#### Results

Students are awarded a joint or multiple Master degree on Educational Treatment of Diversity at the end of their studies.
