Information and Communication Technologies

The university provides computer facilities and information technologies for all the students and the staff. All departments have their own computer lab and wireless internet access, a smart board, a PC and a projector in each classroom.

Food & Drinks

There is a dining hall with a capacity of 1500 students and staff in the campus.

Here, you can have lunch and dinner with a fixed menu of a wide range of traditional Turkish food, paying only 0.30 cents for each meal. You can also have Turkish Kebabs or Turkish Pizza at the best price. There is also a three storey cafeteria where students can lounge there.
